Nicely updated Millwood rancher in a very quiet neighborhood. This 5 bedroom/2 bath, 1971 home on a large lot has an updated kitchen, granite counters, stainless steel appliances and new floors. Beautiful hardwood floors, new paint and new carpet throughout. Plenty of space on the lower level. Nice back deck to have bbqs. Fenced back yard with mature trees that offer shade. Room to park boat/RV. Check out this home, it won't last.
